Advices to the conference stated that Rumanian forces had crossed the Danube into the business section of Budapest and were seizing supplies, preparing to ship them to Rumania.

Budapest, Wednesday, Aug. o.—The entente mission in this city delegated governmental authority to Archduke Joseph to-night when the Peidll government resigned

The social democrats of Hungary still tope that the allies and associate gov ernments will not tolerate either Ruma-nian control of the country or that of a government by the reactionary grand dukes, additional dispatches reaching the onference from Budapest state.

Accounts of the Rumanian proceedings report that they notified the Hunga-rians yesterday that because the terms of the armistice laid down in the Rumanian ultimatum had not been accepted the Rumanians would cross the Dan ube immediately, later carrying out their

Other acts charged against the Rumanians in the advices to the conference are assaults upon inoffensive persons and forced entrances into houses everywhere in Budapest, under the pretext of searchng for arms.

The Rumanian army is reported living on the country, seizing the food it wants while live stock, farming implements, rolling stock and food are being sent to Rumania, although Budapest is on the verge of starvation.

Because Most Productive Food Territories in Hungary Have Been Cut Off from Capital By Ruman Advance.

Berlin, Wednesday, Aug. 6 (By the Associated Press).—The food situation in Budapest has become critical because the most productive food territories in Hungary have been cut off from the capital by the Ruman advance, according to

advices received here. Peasants are reported to be hunting down communists, who have fled to the nounced here yesterday. country from Budapest, it being alleged that they are being incited in this work by Rumanians. Moving courts are touring the provinces and trying communists. An appeal has been posted all over Huncalling upon peasants to arrest communists who are charged with murder and not to permit them to reach Austria, where they will be sheltered.

The Peidll cabinet is still functioning

but under the circumstances, it is said it can do but little. It is still hoped according to reports, that a coalition of socialists and the bourgeoisie can be formed, but royalist elements, under the leadership of former Premier Michael Karolyi, are growing stronger and there are increasing demands for the reinstate ment of the old regime, it is said.

At a meeting of the Vienna workmen's couneil, President Karl Seitz of the German Austrian national assembly, stated that Austria will be open as an asylum to fleeing members of the Hungarian soviet

A dispatch from Vienna states that search of the Hungarian legation there has revealed a box of hand grenades, one bomb and a rifle, which were concealed in the building.
